Framework for our meetings/ Marco para nuestras reuniones

We are an inclusive community and we welcome all children and families.

We strive to be respectful in our communications and constructive in our comments.

This is a forum focused on the business of the PTA and the discussion of community building and fundraising on campus. It is not a forum to discuss or make decisions about campus issues such as academics, services, or the community center. *Feel free to raise an issue here, but please understand that this may not always be the best forum for discussion.*

Somos una comunidad inclusiva y damos la bienvenida a todos los niños y familias.

Nos esforzamos por ser respetuosos en nuestras comunicaciones y constructivos en nuestros comentarios.

Este es un foro centrado en los negocios de la PTA y la discusión sobre la construcción de comunidades y la recaudación de fondos en el campus. No es un foro para discutir o tomar decisiones sobre temas del campus como académicos, servicios o el centro comunitario. No dude en plantear un problema aquí, pero comprenda que este puede no ser siempre el mejor foro para la discusión.
